Summer semester	0 / -	0 / -	0 / -	Counted into average	YES
Winter semester	0 / -	0 / -	0 / -	Min. (B+C) students	1
Timetable	Yes			Repeated registration	NO
Language of instruction	Czech			Semester taught	Summer semester
Optional course	Yes			Internship duration	0
Evaluation scale	1 2 3 4				
No. of hours of on-premise					
Auto acc. of credit	Yes in the case of a previous evaluation 4 nebo nic.				
Periodicity	every year				
Specification periodicity					
Substituted course	KMA/KAN				
Preclusive courses	N/A				
Prerequisite courses	N/A				
Informally recommended courses	N/A				
Courses depending on this Course	N/A				

Course objectives:

The main aim of the State Final Examination is to prove the student's ability of self-employed scientific work within the studied field and with respect to his/her future professional or further study interests (PhD). In addition, development of presentation and argumentation skills is aimed.

Requirements on student

All prerequisites must be fulfilled by student before the State Final Examination. Subject of evaluation will be the capability to make logical and continuous proofs of theoretical results, solving problems by means of abstract methods and correct formal and content quality of his/her manifestation as well.

Content

State Final Examination has oral form and it is realized in front of the exam commission. The usual duration is approximately 30 ? 35 minutes. The rules are given by the Study and Examination statute of the University of West Bohemia in Pilsen. Individual scopes of State Final Examination will be specified every year. The overview is given by prerequisite subjects.
