Course objectives:

The course is dedicated to students enrolled in the Master's Nursing study programme (distant studies). Students are brought up to the B2 (grammar)/C1(vocabulary) levels according to the Common European Framework for Languages. Students are able to utilize their knowledge in communication in professional settings. Special attention is paid to the enlargement of vocabulary and language means necessary in all kinds of nursing specializations.

Requirements on student

- 1) timely completion of all assigned tasks (including the writing assignment discussing a selected topic);
- 2) completion of a final credit test with at least 75% of correct answers. Students have one regular and two additional test attempts in a given academic year;

Content

1. Admission by A/E
2. Admission by referral
3. Obstetrics
4. Pharmacology
5. Ophthalmology
6. Revision. Mid-term test
7. Onkology
8. Gastroenterology
9. Revision. Preparation for the credit test
10. Credit test

Fields of study

Guarantors and lecturers

- **Guarantors:** Mgr. Marie Majerová
