Activities	Time requirements for activity [h]
Contact hours	26
Graduate study programme term essay (40-50)	40
Preparation for an examination (30-60)	38
<b>Total:</b>	<b>104</b>

## assessment methods

### Knowledge - knowledge achieved by taking this course are verified by the following means:

- Oral exam
- Seminar work

### Skills - skills achieved by taking this course are verified by the following means:

- Seminar work

### Competences - competence achieved by taking this course are verified by the following means:

- Continuous assessment

## prerequisite

### Knowledge - students are expected to possess the following knowledge before the course commences to finish it successfully:

- German language knowledge B1

### Skills - students are expected to possess the following skills before the course commences to finish it successfully:

German language knowledge B1

**Competences - students are expected to possess the following competences before the course commences to finish it successfully:**

N/A

#### teaching methods

**Knowledge - the following training methods are used to achieve the required knowledge:**

Textual studies

Seminar classes

**Skills - the following training methods are used to achieve the required skills:**

Discussion

**Competences - the following training methods are used to achieve the required competences:**

Seminar

#### learning outcomes

**Knowledge - knowledge resulting from the course:**

to orientate in advanced topics of German Penal Law  
to become acquainted with German penal terminology  
to become acquainted with sources and principles of German Penal Law and to be able to operate with them
