Informally recommended courses	N/A				
Courses depending on this Course	N/A				

Course objectives:

Students shall gain the knowledge on elementary legal institutes of European Justice Cooperation in civil matters. Special focus shall be made on practical aspects of these institutes in legal practice. The course shall be held in English and therefore it shall extend the abilities of students for professional international environment, where special emphasis is made to possible professional mobility within the EU.

The course is prepared and offered as additional course to the compulsory basic courses of European law taught either in Czech or in English. Content of the course shall be composed of lectures focused on Regulations Brussels I bis, Brussels II bis, Rome I and II as well as Regulations on cooperation in the taking of evidence, on the service of documents . Procedural remedies such as small claims procedure and European payment order shall also form an integral part of the course. Basic information on EU crossborder insolvency rules shall be provided as well.
