## Course objectives:

The main aim of the defence of Diploma Thesis is to prove students'ability of self-employed creative and scientific work within the studied field and with respect to his/her future professional or study interests or further PhD studies. The emphasis lies in a critical choice of method, creating a relevant theoretical frame of reference, and an extensive analysis of the theoretical and empirical material, where the author should make a contribution to the chosen subject or problem area. In addition, development of presentation and argumentation skills is aimed.

## Requirements on student

Oral presentation and defense of submitting theses before an examining committee.

## Content

The contents of the work is given by the Assignment of the Diploma Theses, where the department defines objectives, contents, and the methodology of the theses.

The student is supposed to prepare the defence with respect to the reports written by the supervisor and a further reviewer. The student is obliged to respond to all the comments and to answer all the additional questions. The process of the defence is discussed with the supervisor before. The usual duration is appx. 30 minutes including the presentation, answering additional questions and the evaluation by the exam committee. The rules are given by the Study and Examination statute of the University of West Bohemia.
