## Time requirements

## All forms of study

Activities	Time requirements for activity [h]
Contact hours	26
Preparation for an examination (30-60)	52
<b>Total:</b>	<b>78</b>

## assessment methods

**Knowledge - knowledge achieved by taking this course are verified by the following means:**

Written exam

**Skills - skills achieved by taking this course are verified by the following means:**

Written exam

**Competences - competence achieved by taking this course are verified by the following means:**

Written exam

## prerequisite

**Knowledge - students are expected to possess the following knowledge before the course commences to finish it successfully:**

to acquire deeper knowledge of selected facts about violent, moral and drug offenses

**Skills - students are expected to possess the following skills before the course commences to finish it successfully:**

ability to apply to specific cases from practice

**Competences - students are expected to possess the following competences before the course commences to finish it successfully:**

N/A

N/A

## teaching methods

**Knowledge - the following training methods are used to achieve the required knowledge:**

Seminar

**Skills - the following training methods are used to achieve the required skills:**

Seminar

**Competences - the following training methods are used to achieve the required competences:**

Seminar

**learning outcomes****Knowledge - knowledge resulting from the course:**

to understand the most critical criminological and criminalistic contexts of the given issue

**Skills - skills resulting from the course:**

the ability to use their knowledge on specific cases from practice

**Competences - competences resulting from the course:**

N/A

N/A
